MSHMAROTI · משמרותי

A shift tracker that gets the pay right.

Two waitressing jobs, one honest number: what you actually earn per hour of your life.

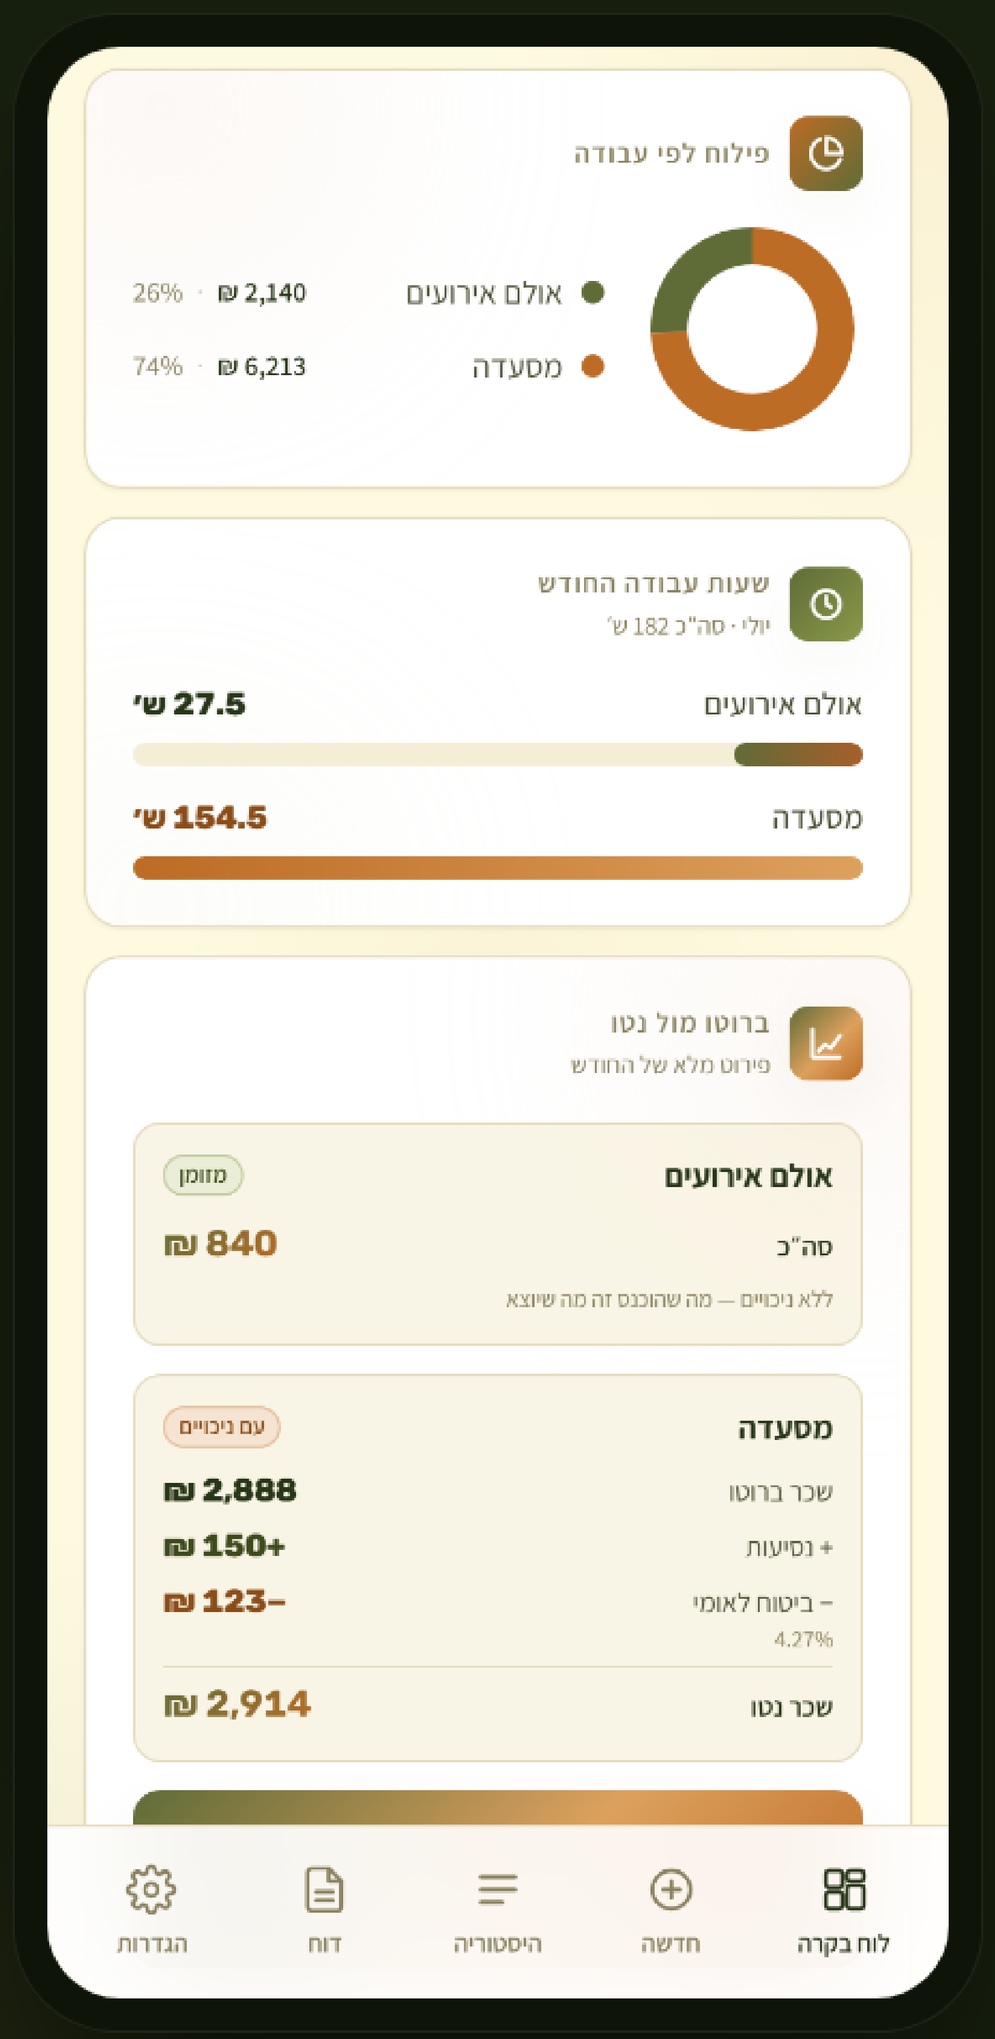

tameradawi.github.io/mshmaroti

THE PAYROLL ENGINE

Israeli labour law, per shift.

Daily overtime tiers, the Saturday-night Shabbat premium, and mandatory deductions — worked out to the shekel.

tameradawi.github.io/mshmaroti

ANALYTICS

Which job actually pays more?

Effective ₪/hour across both jobs, month over month, in a bento dashboard.

tameradawi.github.io/mshmaroti

HISTORY

A month at a glance.

An earnings heat-map calendar; tap any day to filter.

tameradawi.github.io/mshmaroti

REPORTS

Per-job PDF reports.

Separate wedding-hall and restaurant reports, with the 125/150/175/200% hour breakdown.

tameradawi.github.io/mshmaroti

DETAILS

Light & dark, true RTL.

Hebrew-first, installable PWA, reduced-motion aware.
